

What Happens When the Newly-Elected California Governor Mike DiGrasso Defies the Supreme Court?

Afghanistan war hero Mike DiGrasso has just been elected Governor of California by an overwhelming majority. Immediately, he sets in motion his campaign primary promise—to create a strict immigration law that would do three things:

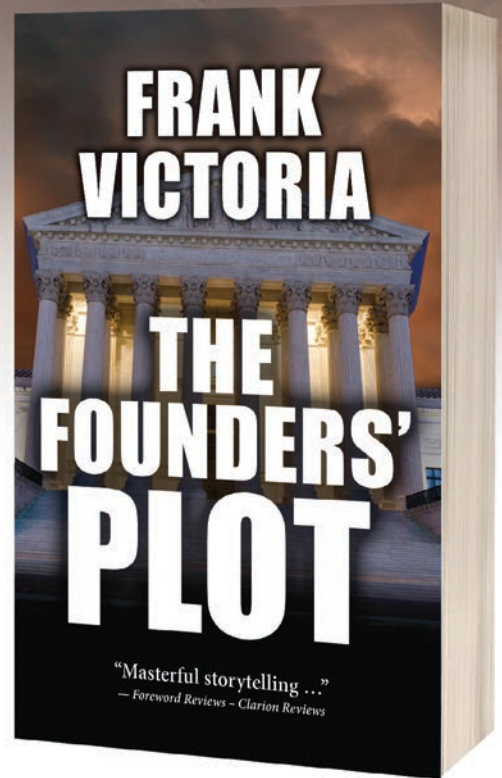

- Curtail illegals from entering the State.
- Seek out illegals who are currently living or working in the State.
- Return all illegals to their countries of origin.

DiGrasso saw nothing stringent about the law. Others disagreed

Will DiGrasso's new immigration law destroy illegal families?

Will the U.S. President take action to force DiGrasso to obey the Court?

Will Governor Mike DiGrasso survive the assassins' bullets?
