### Intro to the topic ..

**The Founders' Plot** takes the reader into the sordid and dangerous world of illegal immigration, the shady corridors and backrooms where devious politicians ply their trade, and sheds light on suspicious Supreme Court decisions.

Author and Marine Corps veteran Frank Victoria has spun a scenario that could happen today. Should illegal immigration be shut down? Is that a way to bring sanity to the chaos at the border many are feeling? Or is there another solution?

- **Media Questions for Frank Victoria and The Founders' Plot**
- **Why should every state be concerned about immigration?**
- **In *The Founders' Plot*, the California Governor defies the Supreme Court. Could that happen today?**
- **How would an opposition party respond to a Governor who ignores a Supreme Court ruling that states the Governor's immigration law was unconstitutional?**

- **Will a blackmail attempt prevent the Governor from implementing his plan?**
- **Could the Governor's action lead to his recall?**
- **How will sanctuary city mayors react to the Governor's immigration law and his defiance of the Supreme Court ruling?**
- **What happens when family members disagree with what the Governor is proposing?**
- **There is an assassination attempt on DiGrasso. Will he survive?**
- **Could and would other states pass similar laws to what DiGrasso did?**
- **The Speaker of the House has a dilemma ... what is it?**
